Foreword

The Merkos L'Inyonei Chinuch, Education Office, is pleased to present the twelfth edition of the directory of Chabad Institutions, a comprehensive directory listing of Chabad Schools in the English-speaking world. We hasten to add, however, that complete as this list seems, it is a work perpetually being updated. The very nature of the Chabad movement and its ever-expanding number of institutions precludes the possibility of a completely finalized directory.

Keeping pace with the ever changing landscape of Chabad education world is an almost impossible task. In spite of that difficulty, we do our best to keep our records current and encourage schools to inform our office as soon as any change occurs.

Finally, we are constantly in the process of updating our comprehensive list of Mechanchim and Mechanchos in Chabad institutions. Being on the mailing list will ensure that you are informed about the goings-on at our office, and most importantly you will regularly receive the Chabad educational journal "Educational Pathways", the "Mzman L'zman" newsletter in addition to information, memoranda and letters. Both schools and educators are requested to assure that our information is correct.

Sincerely,
Rabbi Nochem Kaplan
Director
The Merkos Chinuch Office
